Overview Of Experience

- Jim Henderson is the CEO of [Insider Threat Defense, Inc.](#), [Top Secret Protection, Inc.](#), and Founder / Chairman Of The National Insider Threat Special Interest Group ([NITSIG](#)).
- Mr. Henderson has over 15 years of hands-on experience in the development, implementation and management of complex Enterprise Cyber Security-Information Systems Security Programs, Information Assurance Risk Management Programs and Counterespionage-Insider Threat Programs for the Department of Defense (DoD), National Level Intelligence Centers, U.S. Government Agencies, State Governments, large and small businesses.
- Mr. Henderson has provided Insider Threat Program Development training to 150+ organizations and 215 individuals
- Mr. Henderson previously worked for the DoD Insider Threat Counterintelligence Group (ITCIG) (Contractor), as an Insider Threat Security Analyst. The mission of the ITCIG was to help the DoD design an Insider Threat Program Framework.
- Mr. Henderson had the unique opportunity to review and analyze how DoD and Intelligence Community (IC) Agencies developed, implemented and managed their Insider Threat Programs, even before National Insider Threat Policy (NITP) was released. NITP requirements were built off of existing DoD and IC Agencies Insider Threat Program Frameworks.
- From his extensive experience with the DoD ITCIG, this enabled him to design and develop a comprehensive, structured and resourceful ITPD Training Course, that meets and exceeds NITP and NISPOM Conforming Change 2 requirements.
